

The Prudential Computing Sciences Scholarship Program

Every college student wants the chance to step in, step up, and stand out effectively - to rock the world. With a company like The Prudential Insurance Company of America, based in Newark, you can! The Corporate Technology Management Division of Prudential is sponsoring a scholarship/internship opportunity. The successful candidate will

- win a scholarship of \$8,000 and
- have the opportunity to work as a summer intern for Prudential.

Eligibility Requirements

- Must be enrolled on a full-time basis at NJIT (minimum of 12 credit hours)
- Must be a current junior (on track to be a senior in Fall 2008) and actively pursuing a degree in Computer Science, Information Systems, or Information Technology
- Must have a minimum cumulative GPA of 3.5

Application Process

Juniors interested in applying must submit a written essay (no more than 1 page) describing themselves, college/business experiences, community service/volunteer work and their career goals. Please include your full contact information.

Selection Process & Deadline

Five candidates will be selected and interviewed to determine the scholarship winner. The deadline for applying is February 15, 2008. The scholarship and internship winner will be announced in early March, 2008.

Submission

Essays with contact information should be emailed by February 15, 2007 to Glenda Caldwell in the Office of the Dean, College of Computing Sciences:
